Phone: 630-892-0015

Greetings,

I hope your summer is going well. We are planning a one day study club session to be held in conjunction with my upcoming USDI lecture. The date is Saturday, August 10 and the location is Dr. Sakala's Aurora Illinois office. We will spend the morning (from 9 AM to approximately 12:30 PM) seeing patients. If you want to bring a patient (or patients), get in touch with me to get your patient(s) on the schedule. In the afternoon from 1 to 4 PM, I will lecture. The topic will be "management of the 2 x 4 appliance". This lecture will include hands-on exercises (typodonts provided) demonstrating numerous wire bends that are commonly used for bite opening, class II correction, expansion, and molar control during phase 1 treatment.

If you have a patient you would like to bring to class, let me know so I can put the patient on the schedule. Be sure to let me know what time is convenient for your patient. Feel free to contact me either by phone (218-248-5013) or email ([practicalorthodontics@yahoo.com](mailto:practicalorthodontics@yahoo.com)) to schedule a patient.

Thanks for considering attending this study club. If you have any other questions, please contact me. I am very excited about this course. I will do my best to make this a valuable continuing education experience.

Sincerely,

Jim Prittinen DDS, USDI instructor and Director, Practical Orthodontics

Cost: \$250. If tuition is paid in full before July 10<sup>th</sup>, the cost is reduced to \$225
